

# *VILLAGE OF NORTH BAY*

## **Spring 2019 Newsletter**

Thank you to all of the residents who came to our Village Caucus and those who voted yesterday.

### **April 2, 2019 Election**

The results of our Spring Election are in for North Bay, and our 2019-2021 Board Members are:

Roger Mellem – President  
Kristin Wright – Constable  
Dori Panthofer – Clerk

Congratulations and best wishes to Dori Panthofer, for stepping up and taking on the responsibilities as our new Village Clerk. We would like express our gratitude to both Dori and Jo Gravitter, who quickly responded to the Board's solicitation for that position.

The election went smoothly, thanks to our volunteer Poll Workers and Chief Inspectors.

We are still in need of a volunteer to train as a Chief Inspector. There is a requirement of three hours of Baseline training before the first election, followed by another three hours of training by the end of 2020. There is plenty of time to get that training in before the Presidential Primary and Election in 2020. This is an opportunity to make a contribution to our Village, and, interact with your neighbors. Please contact the Village Clerk if you wish to volunteer or have further questions.

### **Thanks**

We would like to pass on compliments from many residents to Molly Buhler, Lisa Ptacek and Beth Schall who put our March 2 gathering at Village Hall together. The atmosphere, food, drinks, and mingling with neighbors made for a pleasant evening.

### **Safe Driving**

Now that the weather is getting nice, please remember that we have young children who will be playing outside. Please watch your speed on our streets.

### **Pet Licenses**

This is a reminder to have your pets licensed by April 30, 2019 to avoid any penalty. You can access the form on our website: <http://northbay-wi.us>.

All dogs must be on a leash on which one end is attached to the dog and the other end is attached to a human. Please make sure to pickup after your dog(s).

### **Household Hazardous Waste**

You will find the flyer regarding Household Hazardous Waste Collection attached. It is also detailed on the Village website. The first scheduled date is Saturday, April 20, 2019. Medications are no longer accepted at this location. However, there are several sites where medications can be dropped off, and that list is also included for your reference.

### **Lighthouse Run**

The Lighthouse Run will be on Saturday, June 15, 2019. Traffic will be blocked from 7:00am until the course close time of 10:30am. If you wish to get out of the neighborhood, please park your car on Carlton or other streets west of Main before the race commences. Remember to lock your car.

Best wishes to all of you for a warm and beautiful Spring!

Or visit [www.cityofracine.org](http://www.cityofracine.org), expand 'Find City Services' then select Household Hazardous Waste

## Drop Off Events

### WI Department of Justice Events

The Wisconsin Department of Justice (DOJ) in conjunction with state and local law enforcement agencies coordinates drug take back initiatives throughout the state of Wisconsin. DOJ intends to hold a minimum of two collections per year. For more information on the dates and locations of these events, please see the DOJ website:

[www.doseofrealitywi.gov/drug-takeback/find-a-take-back-location](http://www.doseofrealitywi.gov/drug-takeback/find-a-take-back-location)

### East and West End Collection Events

East and west Racine County drop off events may be held depending on grant funding.

## Sharps Disposal

Used needles and lancets can stick waste disposal workers when they are thrown away in the trash or brought to a medication collection. However, needle-stick injuries are a preventable health risk. Package and dispose of sharps safely to avoid exposing yourself and others to harm.

Please visit our website for a current list of sharps disposal sites in Racine County:

[www.cityofracine.org/HHW/](http://www.cityofracine.org/HHW/)

**City of Racine

# Residential Medication Disposal

**A Prescription  
for Clean Water  
& Safe Kids**

**City of Racine  
Public Health Department**

*Serving the City of Racine and the  
Villages of Wind Point & Elmwood Park*

### Why is it Important?

There is growing concern that medications flushed down the drain or thrown in the trash can accumulate in the water supply and landfills, endangering the aquatic environment and wildlife. Wastewater treatment plants are not designed to remove all medications from wastewater.

Medication disposal methods are also seen as an important tool in preventing drug abuse as a growing number of youth and adults turn to medicine cabinets in homes as sources of prescription pills.

People need a secure location to dispose of their unwanted prescriptions and over-the-counter medications other than storing them in their households or throwing them in the trash where they are accessible for abuse and accidental poisoning.

Residents of Racine County now have two options available to dispose of unwanted medications:

- Drop Boxes & Sites
- Drop Off Events

### Law Enforcement Drop Boxes/Sites

In coordination with the Department of Justice, (DOJ) many Racine County law enforcement agencies now have medication drop boxes/sites for residents to dispose of unwanted medications. Boxes/sites are located at:

**Caledonia Police Department**  
6900 Nicholson Road  
Caledonia, WI 53108

**City of Burlington Police Department**  
224 E Jefferson Street  
Burlington, WI 53105

**City of Racine Police Department**  
730 Center Street  
Racine, WI 53403

**Mt. Pleasant Police Department**  
8811 Campus Drive  
Mt Pleasant, WI 53406

**Racine Sheriff Patrol Station**  
14116 Washington Avenue  
Sturtevant, WI 53177

**Sturtevant Police Department**  
2801 89th Street  
Sturtevant, WI 53177

**Town of Burlington Police Department**  
32288 Bushnell Road  
Burlington, WI 53105

**Union Grove Village Hall**  
925 15th Avenue  
Union Grove, WI 53182

**Waterford Police Department**  
415 N Milwaukee Street  
Waterford, WI 53185

### Pharmacy Drop Boxes

**Lakeview Pharmacy**  
516 Monument Square  
Racine, WI 53403

**Walgreens Pharmacy**  
4810 Washington Avenue  
Racine, WI 53405

Please see the DOJ website for a current list of other drop box locations:

[www.doseofrealitywi.gov/drug-takeback/find-a-take-back-location](http://www.doseofrealitywi.gov/drug-takeback/find-a-take-back-location)
