LETTER FROM THE PRESIDENT

Hello North Bay Neighbors,

At the village Town Hall meeting I announced that we will be negotiating a new contract with the City of Racine regarding water and sewer service. The latest update is that we have retained separate legal counsel because the current village attorney's office also assists the city and we wanted to ensure there would not be any conflict of interests. The firm that will be representing us is Murphy Desmond which is located in Madison. They opened their doors in 1931 and have a long history of success. The Board feels confident we have the best representation possible.

I will continue to provide updates on this important initiative as we move forward. Please feel free to reach out with any questions or concerns.

For Village related emails, please direct messages to: vnbpresident@northbay-wi.us. For all phone calls, please call my home number: 262-681-9353.

Thank you!

Sincerely, President Mark J. Schall

CRIME ALERT | In the past month, the Caledonia Police Department has seen a significant rise in thefts from vehicles, most of which take place during early morning hours. The individuals enter vehicles, remove items, and then sell them. In addition, the individuals steal front license plates and place them on vehicles that match similarly to the ones that they use to commit their crimes.

Please remember to lock your cars, remove any valuables including money, medications, credit cards, and firearms. In addition, pay close attention to your vehicle's license plate. Also, please keep your garage doors closed if you are not in close proximity.

We have not seen any recent crimes as described in North Bay or Wind Point, but Caledonia is much too close. If you do see anything suspicious, please contact the Wind Point Police Department (262-639-3022).

WIND POINT POLICE DEPARTMENT | MEET YOUR OFFICERS
