

## MEETING MINUTES – GREENSPACE COMMITTEE

July 9, 2024

Present: Karen, Zimmerman, Karen Horwitz, , Molly Buhler, Rocco Castellano, , Joyce Papes, Jim McBain, Lisa Ptacek, Susan Hamilton, Mark Schall, Kristin Holmberg-Wright

June 11 minutes approved.

The committee members discussed the only RFP responses from Hey and Associates, and Tancor. The consensus was that neither met the expectations of the committee. The Hey response was too general and the Tancor was too limited. It was decided that Rocco and Karen H. would follow up with RFP recipients with whom they are familiar to better understand the reasons they did not respond to determine if and/or how a new RFP should be issued.

### NEXT STEPS:

Review feedback from Rocco and Karen H. and decide how to proceed.
