

MEETING MINUTES – GREENSPACE COMMITTEE

September 17, 2024

Present: Karen, Zimmerman, Rocco Castellano, Jim McBain, Lisa Ptacek, Susan Hamilton, Mark Schall, Amy Cermak, Karen Horwitz

The committee discussed the fact that we have only one bid from Tancor and moving forward without competitive bids was untenable. Lisa communicated that several additional firms would be interested in the project and would have the requisite engineering expertise. She was going to get additional information after they made site visits. Rocco was going to update the bid form to send out to additional firms.

NEXT STEPS:

Review additional bids and select partner

NEXT MEETING

Originally scheduled for October 22 but rescheduled for October 8 at 6:30 pm in the Village Hall.
