Per SPS 320.09(11): TIME-SPAN FOR APPROVAL OR DENIAL. Action to approve or deny a uniform building permit application shall be completed within 10 business days of receipt of all forms, fees, plans and documents required to process the application, and completion of other local prerequisite permitting requirements." This ten days would start after all Pan Commission or Conditional Use approvals.

At his discretion, the Building Inspector may require additional documentation, plans and structural analysis by a design professional prior to issuing a permit.

If, for any reason, the Village Zoning Administrator is either called upon or is requested to review and/or approve plans, either by the Village Building Inspector or the property owner/applicant/agent, the property owner will be responsible for reimbursing the Village for the amount invoiced for the project. Upon receipt of the invoice from the contracting engineering firm, The Village Clerk will provide the property owner with said invoice.

If the invoice of the Village Zoning Administrator, to the Village, for services provided to a property owner for a property located in the Village of North Bay, such as, but not limited to, inspection for improper drainage of stormwater, compliance inspections or creating a drainage plan, is not paid within 30 days of the billing via email or USPS, the undersigned property owner gives permission to the Village to place the same billing amount, plus a \$75 service charge, as a special charge on the next applicable real estate tax bill, said taxpayers waiving all notices or applicable procedures.
